## WORK EXPERIENCE

CHIROPRACTIC PHYSICIAN AND DIRECTOR OF CHIROPRACTIC &  
MANUAL THERAPY, 04/10 - Present

Clearway Pain Solutions (formerly Gulf Coast Pain Institute), Pensacola,  
FL.

Director of Chiropractic and Manual Therapy. A division within Pain Management, working alongside anesthesiologists in multidisciplinary office, including physical therapy, athletic trainers and massage therapists. Oversee chiropractic and rehabilitation clinic, as well as associate chiropractors and staff. Started the first chiropractic and rehabilitation department within the pain management group as part of The Medical Center Clinic in 2010. Helped develop protocols to co-manage care with pain management, which consists of medication management and injective therapies. These include epidurals, dorsal medial branch blocks, radiofrequencies and spinal cord stimulators. Also, we work together to coordinate pre and post care for regenerative medicine patients.

Director of Durable Medical Goods, 06/13 – 12/18

Clearway Pain Solutions (formerly Gulf Coast Pain Institute), Pensacola,  
FL.

Implemented new DME service line to the practice, which included spine bracing and extremity bracing. Responsible for billing, coding, documentation and designed standard operating procedure for service line. Added significant monthly revenue to the practice.

Team Chiropractic Physician, Pensacola Blue Wahoos, 04/17 – Current  
Minnesota Twins AA affiliate and previous Cincinnati Reds AA affiliate  
Pensacola, FL.

Team chiropractor responsible for any neuromusculoskeletal treatment of injuries for players and staff. This includes spinal and extremity joint manipulation as well as any soft tissue therapy necessary. Worked in team environment with team orthopedic surgeon and head athletic trainer to coordinate care with members of the organization.

ADJUNCT PROFESSOR, 05/20 – Present

Palmer West Chiropractic College, San Jose, CA

Provide opportunity for student interns to rotate through our office to learn more about our multi-disciplinary approach to care and discuss business insights to developing a medical practice.

Team Chiropractic Physician, Catholic High School, 03/11 – 07/12  
Catholic High School Baseball, Pensacola, FL.

Team chiropractor for baseball team, responsible for neuromusculoskeletal treatment of injuries for players and staff. Coordinated care with team athletic trainer. 2011 High School Baseball National Champions.

# BRYAN BOERJAN, D.C.
