

Baldyueu, Pavel

Past positions:

Interventional Chronic Pain Physician
Coastal Spine and Pain Centers
07/2019 – present time
Anesthesiologist Physician
Department of Anesthesiology
University of Florida College of Medicine, Gainesville, Florida
07/2019- present time

Clinical Interests:

- Minimally invasive spine interventions (Kyphoplasties, Vertiflex, MILD, Endoscopic Discectomies/Rhizotomies, Sacroiliac Joint Fusions);
- Neuromodulation (Spinal Cord Stimulators, Dorsal Ganglion Stimulators, Peripheral Nerve Stimulators); -regenerative medicine (PRP, Bone Marrow Stem Cells);
- Fluoro and ultrasound guided joint and spine injections and ablations;

Medical Education

Multidisciplinary Interventional Chronic Pain Medicine Fellow
Department of Anesthesiology
University of Florida College of Medicine, Gainesville, Florida
07/2018-06/2019
Anesthesiology Residency
Department of Anesthesiology
University of Florida College of Medicine, Gainesville, Florida
06/2015-06/2018
Anesthesiology Internship
University of Florida College of Medicine, Gainesville, Florida
06/2014-06/2015

Surgery Residency
Belarus Military Hospital
06/2007-06/2008
Surgery Internship
Belarus State Medical University
09/2006 - 06/2007
Medical School
Belarus State Medical University
09/2001 - 06/2007
M.D., 06/2007

Membership and Honorary/Professional Societies

Duval County Medical Society
Clay County Medical Society
Spine Intervention Society
North American Neuromodulation Society
American Society of Regional Anesthesia

American Society of Anesthesiologists
Florida Society of Anesthesiologists
Belarus Association of Surgeons
Belarus Association of Physicians.

Work Experience

General Surgeon

08/2008 - 09/2010

Military Hospital

Minsk, Belarus

Quality Data Abstractor

12/2012 – 07/2014

UF Health Shands Hospital,

Gainesville, Florida

MA II

02/2012 - 12/2012

St. Vincent's Medical Center,

Jacksonville, Florida

Registered Nurse, Emergency Room

09/2006 - 05/2007

Minsk Regional Hospital # 10, Belarus

Patient Care Assistant

09/2004 - 05/2006

Minsk Regional Hospital # 4, Belarus

Circulator/ OR

06/2002 - 08/2002

Mogilev hospital # 1,

Belarus

Current/Prior Training

07/2018-06/2019

Multidisciplinary Chronic Pain Medicine Fellow

Department of Anesthesiology

University of Florida College of Medicine, Gainesville, Florida

06/2015-06/2018

Anesthesiology Residency

Department of Anesthesiology

University of Florida College of Medicine, Gainesville, Florida

06/2014-06/2015

Anesthesiology Internship

University of Florida College of Medicine, Gainesville, Florida

2017 - 2021

A.C.L.S,

B.L.S,

P.A.L.S.

12/2017

IHI Kaiser Permanente Scholarship to attend National Forum on Quality Improvement in Health Care

10/2017

Resident as Teacher Longitudinal Certificate Program "Five-Step Clinical Microskills"

University of Florida College of Medicine

08/2017

Battlefield Acupuncture Certification

Department of Veterans Affairs

2015-2018

Institute of Healthcare Improvement (IHI) open school for health professions Basic Curriculum.

06/2017

Pearls & Pitfalls of Cardiac Imaging & Devices workshop

University of Florida, Gainesville, FL

04/2016

Gator Regional Anesthesia Program (RAP) regional anesthesia workshop,
University of Florida, Gainesville, FL

02/2015

Gator Regional Anesthesia Program (RAP) regional anesthesia workshop,
University of Florida, Gainesville, FL

03/2015

Advanced Perioperative Cardiovascular Management workshop
University of Florida, Gainesville, FL

11/2009 - 12/2009 Surgical Gastroenterology mini-fellowship
Belarusian Medical Academy of Post-Graduate Education
Minsk, Belarus

11/2008 – 12/2008

Surgery of Stomach and Duodenum mini-fellowship
Belarusian Medical Academy of Postgraduate Education

Minsk, Belarus

06/2007-06/2008

Surgery Residency

Belarus Military Hospital

09/2006 - 06/2007

Surgery Internship

Belarus State Medical University
