## Professional Experience

---

### **USAP – ANESTHESIOLOGIST**

Jacksonville, FL  
01/2023 - *Current*

- Provided Anesthesia services for all varieties of cases. Worked both independently and in a supervisory role typically 4:1.1 worked 1675 hours in 2023 for USAP starting on Jan 30, 2023.
- I work as a part-time employee in a large group practice within the Baptist Health system providing all aspects of anesthesia care in Baptist South and Baptist Beaches Hospitals.
- The practice also provides anesthesia care Outpatient Surgery Center.

### **Surgery Partners Pain Physician**

Jacksonville, FL  
08/2012 - 12/2022

- Physician director of Beaches Division of Riverside Spine Jacksonville the largest practice of Surgery Partners in North Florida.
- Performed all patient evaluations and interventional procedures on a large population of pain sufferers in a Baptist Beaches Hospital Campus location and a nearby outpatient surgery center.

### **Jacksonville Anesthesia Corp - ANESTHESIOLOGIST and DIRECTOR of BEACHES PAIN**

Jacksonville, FL  
10/1998 - 07/2012

- Group practice providing all aspects of anesthesia care for a community hospital including obstetrics and inpatient and outpatient pain management. The practice consists of approximately 7 anesthesiologists providing direct anesthesia care as well as supervising CRNAs and CAAS.

### **Jacksonville Anesthesia Corp - Chief of Anesthesia Services**

Baptist Beaches Hospital, Jacksonville, FL  
10/1998 - 09/2001

- I was hired to recruit talented physicians and Cras and direct the daily operations of our new anesthesia department for a rapidly growing hospital and community.

### **Methodist Medical Center - Chief of Anesthesia**

Jacksonville, FL  
09/1993 - 09/1998

- Hired as a partner, I was elected chief in 1994 and led an excellent small group practice. We were a private hospital in an inner-city environment. We performed anesthesia for major vascular, neuro and complicated orthopedic cases. We opened an on-campus pain center that provided much needed care for the people in the north side of Jacksonville as well as an attached Hospice center.
